## Philipics

Demosthenes, the greatest orator Greece ever had, saw the danger threatening Greece in the growing power of Philip and tried to persuade the Athenians to unite with the CHALCIDICE Confederation who had broken with Philip. These orations against Philip were known as Philipics and when Persuading

them to join OLIVANTUS of the  
Chalcidian League were called Olympians  
person accepted the advice but  
did not give the necessary support.  
Olympians & all of the 30 cities of  
the Confederation were taken by  
Philip
